Professional Development Plan

Name: Kathy Blanton

Date: 03/10/2026

Position: Assistant Manager

Work Location: 9026 Beechmont

My ultimate goal: Advance to a Store Manager position by developing comprehensive leadership skills, deepening knowledge of company operations, and strengthening interpersonal effectiveness.

Goal 1	Goal 2	Goal 3
Complete Microsoft Office certification and enhance customer service skills to improve daily operational efficiency and team communication by 25%.	Demonstrate comprehensive understanding of all company policies and procedures by successfully completing policy assessments and applying knowledge in daily operations.	Develop foundational coaching skills by completing entry-level coaching training and practicing mentorship techniques with team members.

My Why Strong technical skills and exceptional customer service are foundational to effective store management. By mastering these competencies, the employee will be better equipped to support their team, streamline operations, and create positive experiences that align with Goodwill's mission of empowering individuals and strengthening communities.	**My Why** Thorough knowledge of company policies ensures consistent decision-making and creates a foundation for guiding team members effectively. This understanding is essential for advancing to management roles where policy interpretation and enforcement become daily responsibilities that directly impact store success and compliance.	**My Why** Effective coaching is at the heart of successful leadership and reflects Goodwill's commitment to helping people reach their potential. Building these skills will enable the employee to support team development, improve performance, and create an environment where everyone can contribute meaningfully to the organization's mission.
