Professional Development Plan

Name: Donna Clouse

Date: 04/12/2026

Position: Store Manager

Work Location: Beechmont 9026

My ultimate goal: Advance as a Store Manager and enhance overall store operations.

Goal 1	Goal 2	Goal 3
Improve customer service skills to increase customer retention and create a welcoming store environment that builds loyalty and repeat visits.	Develop proficiency in Excel spreadsheets, SharePoint, and data visualization tools to effectively analyze store performance and create meaningful reports.	Enhance leadership and conflict resolution skills to effectively manage team dynamics and navigate challenging situations with employees and customers.

My Why Exceptional customer service directly impacts store revenue and reflects Goodwill's commitment to helping people reach their full potential. By creating positive customer experiences, Lonna can reduce customer loss due to service issues and build a loyal customer base that supports the store's mission. This aligns with demonstrating respect for all people and building strong relationships within the community.	**My Why** Understanding these digital tools will enable Lonna to make data-driven decisions about inventory, staffing, and store operations. Mastering SharePoint and Excel will improve her ability to communicate store performance to leadership and identify opportunities for improvement, ultimately supporting better outcomes for customers and the mission.	**My Why** Strong leadership skills are essential for creating a positive work environment where team members can thrive and deliver excellent service. By improving her ability to handle conflict and lead with integrity, Lonna can build a cohesive team that embodies Goodwill's values and works together toward common goals.
