Professional Development Plan

Name: Lindsey Post

Date: 04/12/2026

Position: Assistant Manager

Work Location: 9017 Lebanon

My ultimate goal: Lindsey will advance from Assistant Manager to Store Manager by developing comprehensive understanding of her current role and building essential leadership capabilities.

Goal 1	Goal 2	Goal 3
Lindsey will complete a comprehensive assessment of all assistant manager responsibilities and achieve 90% proficiency in daily operational tasks including inventory management, staff scheduling, customer service standards, and financial reporting within the next six months.	Lindsey will develop effective communication and feedback skills by conducting monthly one-on-one meetings with three team members and implementing at least two team-building initiatives that improve staff engagement scores by 15% within six months.	Lindsey will shadow two current store managers for a full week each and complete OVGI's leadership development program to prepare for store management responsibilities within one year.

My Why Mastering her current role builds the foundation for advancement and demonstrates her commitment to excellence in serving OVGI's mission. Strong operational skills ensure she can effectively support her team and maintain store standards that create positive experiences for customers while maximizing revenue to fund community programs.	**My Why** Building strong relationships with team members reflects OVGI's commitment to treating people with dignity and respect. Enhanced communication skills will enable her to create a positive work environment where associates feel valued and supported, ultimately improving customer service and store performance.	**My Why** Understanding the full scope of store management prepares her to lead with confidence and integrity when the opportunity arises. This exposure will help her develop decision-making skills and strategic thinking necessary to drive store success while advancing OVGI's mission of helping people reach their full potential.
