Professional Development Plan

Name: Nancy Medina

Date: 04/12/2026

Position: Store Manager

Work Location: Lebanon 9017

My ultimate goal: Advance to a Senior Store Manager position by developing comprehensive leadership skills and operational expertise across multiple store locations.

Goal 1	Goal 2	Goal 3
Develop clear and confident communication skills to effectively lead team members, handle difficult conversations, and build stronger relationships with associates and customers.	Master store operations management across multiple locations by successfully completing stretch assignments covering both Lebanon and Loveland stores while maintaining performance standards.	Build leadership multiplier skills by mentoring and developing team members to enhance their performance and prepare potential successors for advancement.

My Why Effective communication is essential for Nancy's daily leadership responsibilities and directly impacts her ability to motivate her team and serve customers with excellence. Strong communication skills will enable her to address challenges proactively, build trust with her associates, and create the positive work environment that reflects Goodwill's commitment to treating people with dignity and respect.	**My Why** Managing multiple store locations requires advanced operational expertise and the ability to adapt quickly to different team dynamics and customer needs. This experience will directly prepare Nancy for senior-level responsibilities while demonstrating her capability to drive results and maintain Goodwill's mission of helping people reach their full potential across diverse locations.	**My Why** Developing others is a core requirement for senior leadership positions and aligns with Nancy's passion for growth and Goodwill's commitment to helping people achieve their goals. By investing in her team's development, Nancy will create stronger store performance while building the leadership pipeline that supports organizational sustainability and growth.
